GEOPHYSICAL OPERATION AUTHORIZATION

Applicant: Husky Oil Operations Limited

Operating Licence No.: 1145

Land Use Permit / Water Licence No.: S06B-005 / A1:S06B-007

Geographical Area: Keele River area south to the Redstone River area. Approximately 60km southwest of the Hamlet of Tulita

Grids or NTS Map Sheets: 95-M, 95-N, 96-C / A1: 96-C

Interests: Exploration Licence 397
423, 441 & Freehold M38

Description of Operation: The Summit Redstone 06-1 seismic program is proposed by Husky to assess the hydrocarbon potential of EL397 and surrounding Crown lands. The program consists of approximately 184.40km of 2D seismic lines.

Amendment 1: This program has been amended to include lines H06-276, 277 & 278 totaling 46.60km. This brings the total program to 231.0km. All information on this document is inclusive of the amendment.

SPECIFICS OF OPERATION

Exclusive <input checked="" type="checkbox"/>	For (if different from applicant)	Non-Exclusive <input type="checkbox"/>	Participation <input type="checkbox"/>	Purchase / Reprocessing <input type="checkbox"/>
Proposed Commencement Date:	07/Jul/2006	Proposed Completion Date:	01/Oct/2006	
No. of Personnel:	50	No. of Crews:	1	
Data Acquisition Equipment:	Sercel 408	Estimated Kilometres:	231.0km	
Vessel / Aircraft Names / Registration Numbers: Helicopter / Bell 212 & 350 B2 A-Star / Registration Numbers to follow				
Energy Source:	Dynamite			
Depth:	15.0m	Charge Size:	6.0kg	
Source Parameters:	150m intervals	Detector Parameters:	25m intervals	

OPERATIONAL CONTACT

Name:	Dave Lochhead
Address:	707-8 th Ave. S.W. Calgary, Alberta. T2P 3G7
Telephone:	(403)298-7140
Facsimile:	(403)750-1994

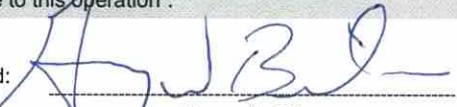

ESTIMATED EXPENDITURES

	On-Interest	Off-Interest
Field Work:	\$15000000.00	\$0.00
Data Processing:	\$65000.00	\$0.00
Interpretation / Laboratory:	\$0.00	\$0.00

CONTRACTORS

Data Acquisition:	Yamoria Geophysical
Data Processing:	Veritas Geoservices
Data Interpretation / Laboratory Studies:	Husky Will Do Internally

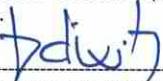

"I certify that I have complied with the notification, permitting and / or licencing requirements of all federal / territorial legislation that are applicable to this operation".
