Dear Mr. Tomm:

**Paramount et al Mount Coty I-02  
Well Termination Record  
Approval to Alter Condition of a Well**

We have reviewed your submission for a Well Termination Record and the Approval to Alter Condition of a Well for the recently drilled well Paramount et al Mount Coty I-02. Paramount Resources Ltd. is hereby given approval to complete Paramount et al Mount Coty I-02 as per the submitted completion program. Attached please find an approved Approval to Alter Condition of a Well and a signed Well Termination Record form. Upon suspension of completion operations please submit all raw (digital pressure and flow data) and any interpreted data from I-02. Any flare volumes in excess of 750 will require separate approval from our office.

Additionally, please submit for our files two copies of Paramount Resources Ltd.'s Emergency Response Plan (ERP) which includes our comments found in the letter dated 24 October 2000 to your office. Upon receiving amended copies of the ERP we will return the two copies that we currently have in our office.

If you have any questions please contact Chris Knoechel at 299-3866 or the undersigned at 299-2792.

Yours truly,

T. M. Baker
