Mr. D. Heenan  
Drilling Consultant  
Paramount Resources Ltd.  
4700, 888 – 3<sup>rd</sup> Street SW  
Calgary, AB T2P 5C5  
Facsimilie (403) 266-6032

Dear Mr. Heenan:

**Approval to Alter Condition of a Well for Para et al Southeast Fort Liard N-01**

Please be advised that your application for an "Approval to Alter Condition of a Well" is approved for the well Para et al Southeast Fort Liard N-01 pursuant to subsection 19(3) of the *Canada Oil and Gas Production and Conservation Regulations*. Attached please find a signed "Approval to Alter Condition of a Well" form for N-01 of which a copy is to be posted in a conspicuous place at the well site as per the *Canada Oil and Gas Drilling Regulations*.

Any changes or deviation from the program will require the additional specific approval of the Chief Conservation Officer. Please be reminded that all oil and gas activities are, at minimum, to meet the requirements of the *Canada Oil and Gas Production and Conservation Regulations*, the *Oil and Gas Occupational Safety and Health Regulations* and the *Canada Labour Code, Part II*. Conditions of approval are attached.

If you have any questions, please do not hesitate to contact Chris Knoechel at 299-3866.

Yours truly,

Bharat C. Dixit  
Chief Conservation Officer

**Approval to Alter Condition of a Well for**  
**Para et al Southeast Fort Liard N-01**

1. The Approval to Alter Condition of a Well form is to be displayed at a prominent place on the drill site as per section 103 of the *Canada Oil and Gas Drilling Regulations*. Also, copies of the *Canada Oil and Gas Drilling Regulations* as well as the *Oil and Gas Occupational Safety and Health Regulations* are to be kept at the drill site and available on request by any person on the drill site (section 102 of the *Canada Oil and Gas Drilling Regulations* and paragraph 125.(1)(e) of the *Canada Labour Code, Part II*, respectively).
2. Daily reports are to be emailed to [dailyreports@neb-one.gc.ca](mailto:dailyreports@neb-one.gc.ca) daily by 8:30 am. Please contact Lori-Ann Sharp (403-299-1994) should there be any difficulty in delivery of the daily drilling reports.
3. Please submit two paper copies and 1 PDF version of all final well report data; in addition, please submit one LAS copy of final log prints. Please ensure compact discs are maximized and submitted with the final well report.
4. Unless otherwise directed by the Chief Conservation Officer, Paramount shall implement or cause to be implemented all of the policies, practices, mitigative measures, recommendations and procedures for the protection of the environment included in or referred to in its application, Fort Liard Environmental Protection Plan, and site-specific description and mitigation planning.
5. Paramount shall notify the NEB, by the most expedient communication means available, of any major incidents, accidents or any lost time occurrences. Any changes or updates in field contacts or Journey Management procedures in the Emergency Response Plan are to be conveyed to the NEB as soon as the changes are or updates are made.
6. Paramount shall meet the Guideline for Ambient Air Quality Standards in the Northwest Territories when conducting any flaring associated with the N-01 ACW program.
7. Paramount shall, within 30 days of the completion of the N-01 ACW work, file with the Chief Conservation Officer, a confirmation, by an officer of the company, that the approved Project was completed in compliance with all applicable conditions in the Application to Alter Condition of a Well. If compliance with any of these conditions cannot be confirmed, the officer of the company shall file with the Chief Conservation Officer details as to why compliance cannot be confirmed.
