Dear Mr Robertson:

**Re: Suspended Well (WID#1915 Aurora Training Well Inuvik G-04)**

Thank you for providing us with the well inspection report of 11 July 2009. In your letter dated 26 November 2009 Aurora Research Institute is seeking a three year suspension term for the above-referenced well.

According to the provided inspection report, there are no wellhead pressures or gas migration issues. Aurora Research Institute is given approval for an additional three year extension for suspension status for the Aurora Training Well Inuvik G-04. Please continue to update us by providing inspection reports or, if applicable, abandonment plan for this well.

Should you have any questions please do not hesitate to contact Saadat Javeed at 403-292-6958.

Yours sincerely,

John McCarthy
