1. Daily reports are to be emailed to [dailyreports@neb-one.gc.ca](mailto:dailyreports@neb-one.gc.ca) or faxed daily by 8:30 am to the attention of the Chief Conservation Officer (fax number 403-292-5876). Please contact Lori Ann Sharp at 403-299-1994 should there be any difficulty in delivery of the daily drilling reports.
2. Paramount Resources Ltd. shall implement or cause to be implemented all of the policies, practices, mitigative measures, recommendations and procedures for the protection of the environment referred to in its application, subsequent filings and environmental protection plan.
3. A copy of the *Canada Oil and Gas Drilling and Production Regulations* as well as the *Oil and Gas Occupational Safety and Health Regulations* are to be kept at the well site and available on request by any person at the well site (section 17 of the *Canada Oil and Gas Drilling and Production Regulations* and paragraph 125.(1)(e) of the *Canada Labour Code*, Part II, respectively).
4. Paramount Resources Ltd. shall inform the Board of any key personnel and field personnel updates to the contact list as they become available or are changed.
5. Well completion, suspension or abandonment operations are required to meet the requirements of the *Canada Oil and Gas Drilling and Production Regulations*. Upon program termination, a "Well Operation Report" is to be submitted within 30 days from the rig release.
6. If the well is put into a suspended state, Paramount shall ensure that the well is monitored and inspected annually to maintain its continued integrity and to prevent pollution.
