Dear Ms. Moffat:

Approval to Alter Condition of a Well (ACW) for Paramount et al Cameron K-74

Thank you for the submission of the Paramount ACW application and subsequent filings. Please find attached the approved ACW authorization with terms and conditions. Any change or deviation from the approved programs will require the additional specific approval of the Chief Conservation Officer.

In addition, please note that the well approval is granted under OA-1221-006 and therefore subject to the terms and conditions of that Operations Authorization.

Please notify the National Energy Board (NEB) no less than 24 hours prior to the commencement of the well operation.

Please be reminded that all oil and gas activities are to meet the requirements of the *Canada Oil and Gas Drilling and Production Regulations*, the *Oil and Gas Occupational Safety and Health Regulations* and *Canada Labour Code, Part II*.

If you have any questions, please contact Saadat Javeed at 403-221-3033.

Yours truly,

Paramount et al Cameron K-74

1. Daily reports are to be emailed to dailyreports@neb-one.gc.ca or faxed daily by 8:30 am to the attention of the Chief Conservation Officer (fax number 403-292-5876). Please contact Lori Ann Sharp at 403-299-1994 should there be any difficulty in delivery of the daily reports.
2. Unless otherwise directed by the Chief Conservation Officer, Paramount shall implement or cause to be implemented all of the policies, practices, mitigative measures, recommendations and procedures for the protection of the environment included in or referred to in its application, other filings and environmental protection plan.
3. A copy of the Operations Authorization, this well approval, *Canada Oil and Gas Drilling and Production Regulations* as well as the *Oil and Gas Occupational Safety and Health Regulations* are to be kept at the well site and available on request by any person at the well site (Section 17 of the *Canada Oil and Gas Drilling and Production Regulations* and paragraph 125(1)(e) of the *Canada Labour Code*, Part II, respectively).
4. Paramount will provide an updated NEB contact list to all applicable staff and contractors for this program prior to any work or activity. Please ensure the NEB incident cell number 403-807-9473 is listed as the number to call in the event of an incident.
5. Paramount shall inform the Board of any key personnel and field personnel updates to the contact list as they become available or are changed.
6. Well completion, suspension or abandonment operations are required to meet the requirements of the *Canada Oil and Gas Drilling and Production Regulations*. Upon program termination, a "Well Termination Record" is to be submitted within 30 days after the end of the well operation.
7. Please submit two paper copies and one electronic (on CD/DVD, in PDF format) of all data for the "Well Operations Report" within 30 days from the end of the well operation.
